

- 1.Item no.: JN-001
- 2.product name: non-stick milk pan
- 3.material: aluminum
- 4. sizes available:  
16cm/18cm/20cm/22cm
- 5. thickness available:  
1.8/2.0/2.5/3.0mm
- 6.height: 60mm
- 7.with nice-looking glass lid;
- 8. Outer finish: painted with high temperature lacquer
- 9. Inner finish: Double-layer black SGS-approved non-stick dope
- 10. bottom finish: machine base or hydraulic pressed steel tray
- 11. Saves energy by up to 40%, easy to clean;
- 12.packing: each piece in a COLOR BOX

- 1. Item no.: JN-002
- 2. product name: non-stick milk pan
- 3. material: aluminum
- 4. sizes available: 16cm/18cm/20cm/22cm
- 5. thickness available: 1.8/2.0/2.5/3.0mm
- 6. height: 85mm
- 7. with nice-looking glass lid;
- 8. Outer finish: painted with high temperature lacquer
- 9. Inner finish: Double-layer black SGS-approved non-stick dope
- 10. bottom finish: machine base or hydraulic pressed steel tray
- 11. Saves energy by up to 40%, easy to clean;
- 12. Packing: each piece in a bubble bag; 12 pcs/ctn (for pan size: 260mm\*55mm\*2.5mm)
- Meas.: 60cm\*29cm\*23cm
- QTY for  
20GP/40GP/40HQ: 7850pcs/16820pcs/19820pcs
- Product Name: mini milk pan

- Item no.:JN-004
- 1) Dia.: 140mm
- Thickness available: 2.0/2.5mm
- height: 50mm
- 2) material: aluminum
- 3) color of paintings are selective
- 4) bakelite handle
- 5) Inner finish: Double-layer black SGS-approved non-stick dope
- 6) Outer finish: painted with high temperature lacquer
- 7) bottom finish: machine base or hydraulic pressed steel tray
- 8) Non-stick surface, fast heat transfer, uniform heating
- 9) Easy to clean
- 10)packing: each piece in a bubble bag;

- Item no.:JN-005
- 1) Dia.: 115.7 mm
- Thickness available: 2.0/2.5mm
- Height: 63.5mm
- 2) material: aluminum
- 3) color of paintings are selective
- 4) Handle: steel silicone
- 5) Inner finish: Teflon non-stick dope
- 6) Outer finish: Teflon non-stick dope
- 7) smoothy bottom (induction bottom/machined bottom can be available)
- 8) Non-stick surface, fast heat transfer, uniform heating
- 9) Easy to clean and sanitary, Save oil, smokeless
- 10)Packing:Bubble bag/plastics bags
- 11)Number of unit per carton: 40 PCS

- Item no.:JN-006
- 1) Dia.: 160mm
- Height:80mm
- thickness:2mm
- 2) material: aluminum
- 3) color of paintings are selective
- 4) Handle: bakelite handle
- 5) Inner finish: Double-layer black SGS-approved non-stick dope
- 6) Outer finish: painted with high temperature lacquer
- 7) bottom finish: machine base or hydraulic pressed steel tray
- 8) fast heat transfer, uniform heating
- 9) easy to clean
- 10)packing: each piece in a bubble bag;
- 11)Meas.:52.5cm\*31.5cm\*40.5cm 12 PCS/CTN;
- 12)QTY for 20GP/40GP/40HQ:4750pcs/10210pcs/12000pcs

- 1. Item no.: JN-007
- 2. Product name: Non-stick milk pan
- 3. material: aluminum
- 4. sizes available: 16cm/18cm/20cm
- 5. thickness: 2.8mm
- 6. Height: 90mm
- 7. with nice-quality of glass lid;
- 8. Inner finish: Double-layer black SGS-approved non-stick dope
- 9. Outer finish: painted with high temperature lacquer
- 10. Machine base bottom finish;
- 11. Packing: each piece in a bubble bag;
